Ag & Animal Science Department:

ASC3704A: Prepare & Apply Chemicals
ASC3705A: Transport, Handle & Store Chemicals

Northern Melbourne Institute of TAFE (NMIT) offers you the opportunity to undertake a two day

Course in Farm Chemical Use

Course Location: NMIT YAN YEAN TRAINING CENTRE - 2005 Plenty Road, Yan Yeon

When: Thursday March 31 & Friday April 1, 2011. 9am – 5pm

Details:

Completion of this course is an essential requirement to gain an Agricultural Chemical User's Permit (ACUP) in the primary industries.

Users of agricultural chemicals are required to hold an ACUP permit for application of:

- Schedule 7 agricultural chemicals;
- Certain ester herbicide formulations;
- Atrazine soil residual herbicide;

Further, it is most advisable that agricultural chemical users are familiar with legislation relating to off-label use, pesticide drift, record keeping and Chemical Control Areas.

Calibration of spray equipment is an essential facet of the course.

NMIT provides a targeted statewide program of specially designed Farm Chemical Users Courses enabling qualification for Agricultural Chemical Users Permit registration.

The courses will be conducted as per enclosed list.

Participants requiring a **Commercial Operators Licence** should contact Sarah Callaghan for course requirements on 9269 8911.

Enrolment:

Enrolment cost in 2011 is **\$267.00** per participant (subject to some variation), which provides for all training, associated handouts and a Chemicals Manual. **The cost will be reimbursed in full by the Strathewen Community Renewal Association.**

Places are limited.

Please email scra@tpg.com.au or contact Gail Cumming on 0458 716 352 or 9433 3750 to register interest.
