

Arthurs Creek District Landcare Group

General Meeting

8.00 Wednesday 8 April 2009

Arthurs Creek Fire Station

Re-establishing Pasture

Speaker: Dr Colin Young

Dr Young, pasture recovery expert with 30 years experience is talking about re-establishing pasture after bushfire. Topics covered include soil management, fertilisers, weed control and timing of re-seeding.

Come and join friends and neighbours at the Fire Station for this informative discussion with a supper and chance to catch up.
