

BLACKBERRY AND INVASIVE WEED CONTROL INCENTIVE PROGRAM 2022

Strathewen Landcare Group is committed to supporting landowners with the control of blackberries and other critical invasive weeds. By working together, we can reduce or even eliminate these weeds that threaten our farms and bushland.

Strathewen landowners have access to equipment and funding to manage blackberries and other invasive weeds on their properties.

Equipment Hire

- 600 litre spray unit on trailer
- 300 litre spray unit on trailer
- 15 litre back pack sprayers
- available to all landowners*

**equipment hirers must have an Agricultural Chemical Users Permit or be directly supervised by a permit holder.*

Blackberry and Invasive Weed Spray Subsidies

- only available to Landcare members
- to reimburse costs of weedicide costs to control blackberries
- reimbursed on a pro-rata basis (up to 50% of cost)
- conditions apply:
 - *Current spray receipts must be provided*
 - *A Weed Control Data Sheet must be completed*
 - *Receipts and Data Sheets must be submitted no later than April 30th.*
