

WEED MANAGEMENT INCENTIVE PROGRAM 2021

Strathewen Landcare Group is committed to supporting landowners with the management of invasive weeds. By working together, we can reduce or even eliminate weeds that threaten our farms and bushland.

Strathewen landowners have access to equipment and funding to manage weeds on their properties.

Equipment Hire

- 600 litre spray unit on trailer
- 300 litre spray unit on trailer
- 15 litre back pack sprayers
- available to all landowners*

*Equipment hirers must have an Agricultural Chemical Users Permit or be directly supervised by a permit holder.

Weed Spray Subsidies

- only available to Landcare members
- to reimburse costs of weedicide and or contractor costs
- reimbursed on a pro-rata basis (up to 50% of cost)
- conditions apply:
 - Current spray receipts must be provided
 - A Weed Control Data Sheet must be completed
 - Receipts & Data Sheets must be submitted by 30 April 2021

For further information, equipment hire, or to apply for weed spray subsidy, contact:
